ABOUT US

Established in 2003, CLMA PHARMACEUTICALS is engaged in the importation and distribution of a wide range of pharmaceutical products and medical devices in the Philippines. Its operation and marketing focuses on the local government units (LGU), government hospitals, rural health units (RHU) and infirmaries. It is licensed by the Food and Drugs Administration to operate as Drug Wholesaler and Medical Devices Importer/ Wholesaler in the Philippines.

Headquartered in the City of Smile, Naga City in the Bicol region, CLMA Pharmaceuticals is in the active lists of accredited suppliers of drug and medicines in Quezon City Government, which is the country's biggest city in the National Capital Region (NCR) in terms of population. It also maintains exclusive distributorship and partnership with a number of leading drug manufacturing companies in the country.

CLMA Pharmaceuticals is committed in fulfilling the aim of lowering the costs of good health without compromising the quality of its products. It actively supports government campaign on making essential drugs more affordable to the poor and underserved.

To date, the company is venturing into the importation of contraceptives and birth control pills from Thailand in support to the Philippine Reproductive Health Program or known as Responsible Parenthood and Reproductive Health Act of 2012. And with the spread of Coronavirus in the Philippines and the rest of the world, CLMA has strived to be the first in Philippines to import rapid antibody test from Malaysia. It is also the exclusive distributor of a US brand covid-19 antibody rapid test in the Bicolandia.

OUR VISION

To create a successful relationship with our clients based on trust and reliability

OUR MISSION
